Introduction

This is the Bishop Wilkinson Catholic Education Trust Publication Scheme on information available under the Freedom of Information Act 2000 (FOIA). It applies to all schools within the Trust.

Bishop Wilkinson Catholic Education Trust and the schools within are classed as public bodies. One of the aims of the FOIA is to ensure public authorities are clear and proactive about the information they make public.

To meet this requirement, we have produced this publication scheme, setting out:

- *The information we publish or intend to publish;*
- *The manner in which the information will be published; and*
- *Whether the information is available free of charge or on payment.*

Some information which we hold may not be made public, for example personal information.

Aims and Objectives

This publication scheme is a means of showing how we are pursuing our aims of:

- enabling every child to fulfil their learning potential, with education that meets the needs of each child
- helping every child develop the skills, knowledge and personal qualities needed for life and work

- How we make decisions
- Our policies and procedures
