School Uniform Policy Safeguarding Statement:

At St. Mary's Catholic First School, we respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn, in a relaxed and secure atmosphere. We believe every pupil should be able to participate in all school activities in an enjoyable and safe environment and be protected from harm. This is the responsibility of every adult employed by or invited to deliver services at St. Mary's Catholic First School. We recognise our responsibility to safeguard all who access school and promote the welfare of all our pupils by protecting them from physical, sexual and emotional abuse, neglect and bullying.

1. Purpose

This policy sets out our approach to school uniform in line with the Department for Education statutory guidance. It ensures that our uniform is affordable, inclusive, and practical, while promoting a sense of identity and belonging.

2. Introduction

The Department for Education (DfE) strongly encourages schools to have a school uniform. This policy sets out the school's policy and approach on uniform and confirms the school's commitment to providing value for money to parents and ensuring that no pupil is discriminated against due to their gender, disability, religion or belief, economic circumstances or social and cultural background.

"Your beauty should not come from outward adornment, such as elaborate hairstyles and the wearing of gold jewellery or fine clothes. Rather, it should be that of your inner self, the unfading beauty of a gentle and quiet spirit, which is of great worth in God's sight." 1 Peter 3:3-4

The school uniform helps ensure that pupils of all races and backgrounds feel welcome. It helps to protect children from social pressures to dress in a particular way; and nurtures cohesion, promoting good relations between different groups of pupils. Above all, the school uniform supports effective teaching and learning.

This policy has been updated to comply with the Department for Education statutory guidance effective September 2026.

3. Principles

Our policy is based on the notion that school uniform:

- promotes a sense of pride in the school in line with our ethos;
- engenders a sense of identity and belonging towards the school community, developed in consultation with parents, pupils & governors;
- supports positive behaviour and discipline;
- is practical, affordable and smart-our uniform must not create financial barriers for families;
- makes students feel equal and encourages cohesion- complies with the Equality Act 2010; avoids discrimination based on gender, religion, SEND, or other protected characteristics;
- has been designed with health and safety in mind; and
- supports sustainability.

3. Roles and Responsibilities

The roles and responsibilities of the Local Governing Committee, Head Teacher, teachers, parents and pupils in relation to school uniform are set out at Schedule 2 of this policy.

4. School Uniform Cost and Availability

In accordance with the School Admissions Code and the DfE statutory guidance 'Cost of school uniforms', the school ensures that the uniform policy does not discourage parents from applying for a place for their child at the school.

The school is committed to meeting the DfE's recommendations and guidance on costs and value for money. Care is taken to ensure that school uniforms are affordable for current and prospective pupils.

The school minimises any changes to the school uniform, considering the views of parents and pupils when considering any proposed changes.

The number of compulsory branded items is limited to a maximum of 3 for primary schools (as per DfE statutory guidance Sept '26). All other items can be generic and purchased from any retailer to ensure affordability.

The school provides access to second-hand uniform and publishes details on the school website. The school makes provision for second-hand uniforms to be available, which can particularly benefit parents on low incomes. We have a 'uniform recycling service' request link direct from our school website: [School Uniform – St Mary's First School, Hexham](#) Parents are encouraged to donate second-hand clothing which is of a satisfactory quality and which is no longer required, so this can be used by other parents. Throughout the year, there are regular opportunities signposted to parents to purchase second-hand uniform, during all whole school events the PTA hold a second-hand uniform sale (please contact the school office for more information).

5. Branded Items

The school limits compulsory branded items to a maximum of **two** items in Key Stage 2 and **one** item in Early Years and Key Stage 1 (DfE statutory guidance Sept '26 stipulates a maximum of 3 for primary schools), all other uniform items may be purchased from any retailer to ensure affordability and choice.

Branded means items with the school logo or unique design only available from a specific supplier.

All other items should be generic and available from multiple retailers.

6. Equal Opportunities

The school is committed to promoting equality and ensuring that this policy or the application of this policy does not discriminate unlawfully.

Reasonable adjustments will be made to the uniform policy where it places a disabled pupil under the Equality Act 2010 at a substantial disadvantage compared to pupils who are not disabled.

Reasonable steps will also be taken by the school to ensure that the cost of girls' and boys' uniforms are not disproportionate.

The school will ensure that its uniform is as gender neutral and inclusive as possible.

Some religions and beliefs may require their members to conform to a specific dress code. The school does not discriminate against any religion or belief and will endeavour to allow religious requirements to be met where possible, whilst weighing up the needs and rights of individual pupils against the cohesion and health and safety concerns of the entire school community.

Any request by a parent or pupil for any religious item to be worn, or any request for a change to the uniform policy, shall be considered on a case-by-case basis by the Head Teacher and Local Governing Committee.

7. School Uniform

Schedule 1 sets out the school uniform to be worn at the school. If parents are in any doubt about any aspect of school uniform, then please check with the Headteacher before proceeding.

8. Jewellery

The school does not allow pupils to wear jewellery in school due to health and safety concerns. The exceptions to this rule are (1) one pair of small ear-ring studs in pierced ears that can only be worn if pupils are able to remove them independently; and (2) In key stage 2, a sensible wrist watch/basic fitness tracker that does not allow connection to a smartphone device.

Jewellery is the responsibility of the pupil and not the school. The school accepts no responsibility or liability for any lost or damaged items.

All jewellery must be removed during practical lessons, including PE lessons and science experiments and at the request of a member of staff.

Any jewellery worn which falls outside of this policy will be asked to be removed.

9. Hairstyles

The school reserves the right to make a judgement on the suitability of pupils' hair and appearance.

Hairstyles such as mohawks, tramlines or brightly coloured hair, are unacceptable.

Pupils with long hair must ensure that this does not impede their vision, cover their face or provide a health and safety risk. Long hair must be tied up during all practical lessons, for example during science experiments or PE.

Bandana style headbands and large flowers/bows hair accessories are not to be worn; however, plain hair clips or bands are acceptable.

Hair extensions are not permitted.

10. Makeup

Pupils are not allowed to wear makeup, including nail varnish, gel nails and nail extensions.

Pupils wearing make-up are required to remove it or, if appropriate, parents will be asked to collect their child to remove the makeup, before being allowed to return to their lesson.

The Headteacher may allow makeup in limited circumstances, at their sole discretion, for example a pupil may be permitted to cover heavy scarring/skin damage.

11. Monitoring and review

This policy is reviewed every two years by the Chair of Governors and the Head Teacher.

The scheduled review date for this policy is July 2028.
