

# ST MARY'S NEWSLETTER

FRIDAY 5<sup>TH</sup> JUNE 2026

Dear parent/carers,

It has been a wonderful week of enriching experiences across school! Our Key Stage 1 pupils enjoyed an exciting visit to the Discovery Museum in Newcastle, where Years 1 and 2 took part in a fascinating workshop exploring historical artefacts. The children also had the opportunity to tour the exhibits and engage in a range of interactive activities, bringing their learning to life in a memorable way.

On Thursday, pupils from our Mini Vinnies and Curling Club demonstrated their newly developed skills out into the community by visiting local care home-Dene Grange. As part of this initiative, the children participated in friendly curling activities alongside residents, sharing their enthusiasm for the sport and creating meaningful intergenerational connections. In the coming weeks, pupils are also visiting Carntyne & Acomb Court too.

This week, our Early Years team began home visits for our new Reception 2026 starters. These visits are a valuable opportunity to build positive relationships with families, get to know each child in a familiar setting, and help ensure a smooth and happy transition into school. We look forward to welcoming our newest pupils and supporting them as they begin their journey with us.

Finally, today we came together as a school community to celebrate World Environment Day with a special Art Afternoon. It was lovely to welcome families into school to work alongside the children, creating thoughtful and creative artwork inspired by caring for our environment. The event was a fantastic celebration of both creativity and community spirit—thank you to everyone who joined us and made it such a meaningful occasion!

Best Wishes,

Mrs. Oakes

### Operation Encompass

St. Mary's is an Operation Encompass school, run in partnership with both Northumberland County Council and Northumbria Police. The project, which commenced in April 2015 aims to support children who are affected by domestic abuse. Operation Encompass aims to support children and young people who are affected by domestic abuse. Witnessing domestic abuse is really distressing for a child or young person, who often see the abuse, hear it from another room, see a parent's injuries or distress afterwards or can be physically hurt by trying to stop the abuse. Please visit the Operation Encompass for more information: Home : Operation Encompass & support services: Northumberland-Support-Services.pdf (bwcet.com)

### Online Safety

Northumberland County Council, in partnership with the Solihull Approach, offer free access to online courses expertly designed for parents, carers, grandparents and teens living in the region. All schools in Northumberland are in a pre-paid area for emotional health resources hub:

This means parents can access a range of online support to better understand children's emotional health, brain development and wellbeing.
