

Regenerators Club - Job Description

Role Purpose

To help make our school and community a greener, cleaner, and kinder place by taking part in fun and meaningful eco-friendly activities. Regenerators are young leaders who care about the planet and want to make a difference!

Main Responsibilities

-  **Eco Projects:** Take part in activities like litter picking, recycling, gardening, and energy-saving campaigns.
 -  **Idea Sharing:** Help come up with new ways to make our school more sustainable.
 -  **Spreading the Word:** Encourage others to care for the environment by making posters, giving mini talks, or helping with assemblies.
 -  **School Helpers:** Help keep our school tidy and remind others to recycle and save energy.
 -  **Nature Guardians:** Look after plants, wildlife areas, and help create habitats for animals and insects.
-

Qualities and Skills Needed

-  **Caring** - You care about nature, animals, and the planet.
 -  **Team Player** - You enjoy working with others and sharing ideas.
 -  **Creative** - You like thinking of new ways to help the environment.
 -  **Confident Communicator** - You're happy to speak up and share your thoughts.
 -  **Responsible** - You take your role seriously and try your best.
-

Commitment

-  Attend regular Regenerators meetings (e.g. once a week or fortnight).
 -  Take part in special projects and events throughout the year.
 -  Be a role model for others in school by showing eco-friendly behaviour every day.
-

What You Will Gain

-  A special Regenerators badge or certificate.
-  New knowledge about the environment and sustainability.
-  Opportunities to work with friends and make new ones.
-  A chance to lead exciting projects and make a real difference.
-  A proud feeling of helping your school and the planet!
